KPS Satisfied Clients and Success Stories

GRUNDFOS – innovative water solutions for the world

Travel expense management | Industrial engineering

" SAP mentioned KPS several times as an experienced implementation partner. When asking peer companies for their advice, they recommended the IT and business expertise of KPS. They understood our requirements and approach from the very beginning. The consultants are competent and have an excellent understanding of the practical use of the solution."

Claus Leth Christensen
IT Director Grundfos

NILFISK – resilient, automated and reliable

Travel expense management | Manufacturing industry

“The combination of the KPS consultants experience, the Nilfisk Team ability to absorb and run the virtual project and support from SAP Concur has given Nilfisk a solution where we really can serve our end-users, back-office employees and have a much bigger insight into our spending in this area.”

Anders Friis Liehti
SVP IT & Transformation Nilfisk

VELUX – a leading manufacturer of windows

Travel expense management | Manufacturing industry

"KPS' strong expertise within global expense management processes, implementation approach, and their proven best practices have convinced us. The consultants' expertise when it comes to expected hurdles and their extensive knowledge of SAP Concur were the decisive factors for choosing KPS as our consulting partner."

Tina Havnemark Rasmussen
Project manager VELUX Group
